

ETHNICITY. TALENT. LAW.

Addleshaw Goddard LLP are pleased to invite you to a combined legal access scheme **Ethnicity.Talent.Law.**

The aim of the scheme is to bring together students from ethnically diverse backgrounds studying at universities in London with people from Addleshaw Goddard LLP as part of a growing effort to increase ethnic diversity within the legal sector.

Key figures from Addleshaw Goddard LLP will share their stories, experiences and the challenges that they have faced during their careers and provide a platform for students to gain advice on application forms, the recruitment processes and much more.
