

KKZ in the Best Law Firm 2024 ranking

We are pleased to share some significant and exceptional news with you. KKZ has once again been honored with six prestigious awards, securing its position among the top 10 law firms as ranked by the esteemed daily, "Rzeczpospolita."

Once again, **advocate Maciej Zaborowski, Managing Partner of KKZ**, has been recognized as a leader in two categories: criminal law for business and TMT (IT, media, and telecommunications). Additionally, for the second consecutive year, **attorney at law Marta Kopec** has been awarded the title of leading lawyer in the labor law category. The law firm itself has been distinguished as a leader in three categories: criminal law for business, labor law, and TMT (IT, media, and telecommunications).

Receiving six awards has positioned us among the top 10 law firms with the highest number of accolades in the ranking.

Thank you for your trust. This distinction is also attributable to you. We believe that this and other accolades in international rankings motivate us to strive even harder and to deliver services to you at an ever-increasing level of excellence.
