### Detailed submission guidelines

---

Please provide a separate document for each practice area. For each practice area, please provide the following:

#### Practice overview

---

Brief bullet points introducing key points about your practice. For example, mention hires and departures, tell us what you are best known for, point out a very significant case or deal. Avoid lengthy paragraphs and avoid unsubstantiated claims.

#### Feedback on the 2025 edition

---

Do you agree with the ratings the practice received in the editorial and ranking of the 2025 edition? Law firms are encouraged to provide brief feedback, including advising as to a suggested ranking for the forthcoming edition, based on evidence. (Please bear in mind that firms are ranked alphabetically within tiers).

#### Contact details

---

Please provide contact details for the person we should contact to arrange to follow up on the submission, ie contact name, position, email address and telephone number.

#### Individual rankings

---

The rankings in Legal 500 focus on the bench strength of the teams within law firms. We rank lawyers in four categories – hall of fame, leading partner, next generation partners and leading associates. Please try to include deserving women and minority lawyers within your recommendations as diversity is very important to Legal 500.

To be ranked as a hall of fame, individuals should be consistently involved in market-defining matters, in many cases previously recognised as a leading partner in the market, and widely acclaimed by peers and clients.

To be ranked as a leading partner, we look for:

contain both longstanding referees and more recent client gains. Some junior referees can be more responsive than senior figures. 20 referees per practice area is a good minimum guideline, if possible. You may provide as many referees as you wish – we will contact all referees that are submitted on time. We may contact late referees, but we reserve the right to contact them at a much later date (or not at all). If a late referee has already been submitted on time, we will not contact them again.

**Referees MUST be provided by 6 June 2025 in a separate document – please use the referee template at: [legal500.com/the-legal-500-submission-information/germany-submissions/](https://legal500.com/the-legal-500-submission-information/germany-submissions/)**

### Detailed work highlights

**(All work referred to should fall between May 2024 and May 2025)** Please provide details of up to 20 transactions, cases or other work only. These should be matters which the firm considers to be significant and which indicate the team's range of recent expertise. Try to reflect the breadth of the law firm's experience, not simply the biggest mandates. In each instance, please identify the firm's role, indicate which partner(s) led the advice and mention start/end dates. Please identify the client. You are also encouraged to elaborate briefly in order to put each transaction/case in context, rather than simply listing the matter in question. At least one matter should be cleared for publication.

You may also identify other highlights, for example new client gains. Also useful are any hard facts that can be provided to put the practice in context; for example, for transactional practice areas, consideration will be given to the total number of deals handled and the aggregate deal value for the year.

The focus of the research is on recent work. If you think older work is significant – or would help us better to understand the practice – then please do mention it and explain why it is of interest.

**Tip: If submitting in an area for the first time, it is recommended that you include several examples from the previous two years, as well as at least 10 new examples of work.**
